

TASTE *of* ROTARY

DINING SPONSORSHIP

The Cary Central Rotary Club is asking for your participation and sponsorship of our 32nd Annual Fund Raiser "Taste of Rotary" taking place on Saturday, March 23, 2019 at 6:30 PM at Herbert Young Community Center, located at 101 Wilkinson Avenue, Cary, NC.

Your Sponsorship is both meaningful and purposeful supporting humanitarian, educational, and community programs such as: Meals On Wheels of Wake County, Habitat for Humanity of Wake County, Life Experiences: Job opportunities for people with disabilities, Boys and Girls Homes of North Carolina, Rise Against Hunger of Raleigh, Salvation Army of Wake County, CORRAL Riding Academy, Kingswood Elementary School, Veteran's Freedom Park, Cary, NC, College scholarships and more!

This year our event will feature restaurant vendors from the Greater Cary and Raleigh area. We also plan to have a beer and wine tasting. Our event includes a highly successful Casino Night, gift baskets raffle, 50/50 raffle along with special presentations by our Rotarians. Please join us to support our civic effort!

We expect approximately 150+ people in attendance and would ask that you host a food serving station that allows our guests to get a "Taste" of your culinary arts. In return, we will promote your sponsorship throughout the night and encourage all of our guests to support your business. We will be sharing your participation through our online promotions before and after the event. We also encourage our Dining Sponsors to bring a sign/banner for your station as well as other items and giveaways that will highlight your establishment.

It would be ideal if you could supply food plus any necessary paper goods and utensils for small servings for 150+ people. We want our guests to feel, between all of our vendors that they were adequately served and to give them something to talk about as they experience your offerings. We estimate approximately 2 hours of serving time, from 6:30 PM to 8:30 PM.

To help support the Taste of Rotary, please contact our Committee Chair, Mike Mazzella at 919.622.3843 or email mmaddogmikey@gmail.com. For add'l details go to: [TasteOf Rotary.org](https://TasteOfRotary.org)

We certainly thank you for considering participating in this event. We hope we can count on you to help us have a successful Taste Of Rotary that supports our many civic and charitable activities.

Sincerely,
Cary Central Rotary Club
